Notes:

1. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact Capita Registrars on +44 (0) 871 664 0300 (calls to this number cost 10 pence per minute plus network extras).
2. To be valid any proxy form or other instrument appointing a proxy and the original or duly certified copy of the power of attorney or other authority (if any) under which it is signed or authenticated must be received by post or (during normal business hours only) by hand at Capita Registrars, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU no later than 10:00am on 21 May 2011.
3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 6 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.
4. In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, only those shareholders entered in the register of members of the Company as at 6:00pm on 20 May 2011 or, if the meeting is adjourned, in the register of members at 6:00pm on the second day prior to the day of any adjourned meeting, shall be entitled to attend or vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after 6:00pm on 20 May 2011 or, if the meeting is adjourned, in the register of members after 6:00pm on the second day prior to the day of the adjourned meeting, shall be disregarded in determining the rights of any person to attend, speak or vote at the meeting or at any such adjournment.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

6. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited, (the operator of the CREST system), and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 10:00am on 21 May 2011. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
7. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK and Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided they do not do so in relation to the same shares.
10. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
11. As at 27 April 2011 (being the last business day prior to the publication of this Notice), the Company's issued share capital consists of 101,541,617 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 27 April 2011 are 101,541,617.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 9 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 10 is proposed as a special resolution. This means that for this resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 (annual report and accounts)

The Directors of the Company must present to the meeting the audited annual accounts and the Directors' and auditors' report for the financial year ended 31 December 2010.

Resolution 2 (remuneration report)

The Company's shareholders will be asked to approve the remuneration report set out on pages 23 to 25 in the annual report and accounts at the Annual General Meeting. It sets out the Company's policy on, and gives details of, Directors' remuneration and other relevant information.

Resolutions 3 and 4 (appointment and remuneration of auditors)

The Company is required to appoint auditors at each general meeting at which accounts are presented to shareholders to hold office until the conclusion of the next such meeting. Resolution 3 seeks shareholder approval to reappoint KPMG Audit plc as the Company's auditors.

Resolution 4 seeks authority for the Company's Directors to fix the auditors' remuneration. In accordance with best practice in corporate governance separate authorities are being sought to appoint the auditors and to fix their remuneration.

Resolutions 5, 6, 7 and 8 (election and re-election of Directors)

The Company's articles of association permit any Director appointed by the Directors since the date of the last Annual General Meeting to hold office only until the date of the next Annual General Meeting. The Director is then eligible for election by shareholders. In addition, one third of the remaining Directors (rounded down, if the number of Directors is not a multiple of three) are required to retire by rotation each year and, further, no Director may serve for more than three years without being re-elected by shareholders. The Board of Directors has seven members at the date of this notice and consequently, two Directors are retiring by rotation, neither of whom are standing for re-election and whose offices are proposed to be filled up by Davidi Gilo and Nicola Miglietta. Two further Directors who have been appointed by the Directors since the Company's last Annual General Meeting are standing for re-election in accordance with the Company's articles of association.

By resolution 5, Davidi Gilo is standing for election as a Director with effect from the end of the Annual General Meeting, to fill up the office being vacated by Amir Scharf, who is retiring by rotation in accordance with the Company's articles of association and is not seeking re-election. Davidi Gilo has more than 25 years of technology and business expertise and a proven track

record of innovation and execution in identifying and fostering the growth of emerging trends and technologies including DSP chips, cell phones, medical information technology and broadband networks. Mr. Gilo was the founder of DSP Group (which was sold to Intel for \$1.6billion), Ceva, Nogatech, Audiocodes and Zen Research, among others. He is currently the Managing partner of GiloVentures II LP.

By resolution 6, Nicola Miglietta is standing for election as a Director with effect from the end of the Annual General Meeting, to fill up the office being vacated by Andrea Giorgio Mandel-Mantello, who is retiring by rotation in accordance with the Company's articles of association and is not seeking re-election. Mr. Miglietta is a Professor of Capital Markets and Corporate Finance (Advanced Degree) at the University of Torino and sits on the board of several companies.

By resolution 7, Ram Zeevi is standing for re-election as a Director.

By resolution 8, Alexander Sator is standing for re-election as a Director.

The Board believes that each of the Directors standing for election or re-election has considerable and wide ranging experience, which will be invaluable to the Company. Each of the Directors has given an assurance to the Board that they remain committed to their role and will ensure that they devote sufficient time to it, including attendance at Board and Committee meetings.

Resolution 9 (authority to allot)

Under section 549 of the Companies Act 2006, the Directors are prevented, subject to certain exceptions, from allotting shares in the Company or granting rights to subscribe for, or convert any security into, shares in the Company, without the authority of the shareholders in general meeting. Resolution 9 is proposed as an ordinary resolution to authorise the Directors to allot shares, or to grant rights to subscribe for or to convert any security into shares in the Company, up to an aggregate nominal value of £338,472, such amount representing approximately one third of the ordinary share capital of the Company in issue at 27 April 2011 (being the last practicable date prior to the publication of this notice) in accordance with institutional investor guidelines. The Directors' authority will expire at the conclusion of the next Annual General Meeting or on 31 July 2012, whichever is the earlier. The Directors have no immediate plans to make use of this authority. As at the date of this notice the Company does not hold any ordinary shares in the capital of the Company in treasury.

Resolution 10 (statutory pre-emption rights)

Under section 561(1) of the Companies Act 2006, subject to certain exemptions, when new shares are allotted or treasury shares are sold for cash, they must first be offered to existing shareholders pro rata to their holdings. This special resolution renews, for the period ending on the date of the next Annual General Meeting or 31 July 2012, whichever is the earlier, the authorities previously granted to the Directors to: (a) allot shares of the Company in connection with a rights issue; and (b) otherwise allot shares of the Company, or sell treasury shares for cash, up to an aggregate nominal value of £101,541 (representing in accordance with institutional investor guidelines, approximately 10% of the ordinary share capital in issue as at 27 April 2011 (being the last practicable date prior to the publication of this notice)) as if the pre-emption rights of section 561(1) did not apply. Before any exercise of the authority sought under this resolution,

the Company would consult its Nominated Advisor regarding the terms and conditions of any issue.
